

**ALAMEDA MUNICIPAL POWER**

*A Department of the City of Alameda*

# Economic Development Incentive Discount Application

The Economic Development Incentive Discount (EDID) is made available to qualifying businesses for the purpose of business attraction or facility expansion. DETERMINATION OF ELIGIBILITY SHALL BE MADE AT THE SOLE DISCRETION OF ALAMEDA MUNICIPAL POWER.

### ELIGIBILITY CRITERIA

- New businesses locating to Alameda, or expanding existing businesses expanding within Alameda, where a location outside of Alameda was seriously considered.
- General Service customer as defined under the EDID Schedule.
- Annual peak demand of at least 50 kW (excluding extreme seasonal peak electric load).
- Electric costs are material to your site selection decision.
- Individually separate metering at the customer's premise.
- No co-generation, self-generation, or electricity from source other than AMP.
- Signed Agreement and accepting the terms and conditions of the EDID regulations, including term for continuing to locate in Alameda.

Please complete the following and return to:

Alameda Municipal Power Attn: Customer Resource Manager – EDID, 2000 Grand St. Alameda, CA 94501

Please allow 2 -3 weeks application processing time.

### APPLICATION TYPE

REASON FOR LOCATING TO THE CITY OF ALAMEDA

OR FACILITY EXPANSION DETAILS

NAME OF BUSINESS

MAILING ADDRESS

PROPOSED NEW CITY OF ALAMEDA ADDRESS

### CLASSIFICATION CRITERIA

TYPE OF BUSINESS – RETAIL, OFFICE, INDUSTRIAL, MEDICAL, OTHER

(Note: Non-qualifying business classifications: public services, public schools, utilities, general service customers in certain business classifications, which by their nature, do not have options for locating elsewhere).

### MINIMUM LOAD FACTOR

ANNUAL ENERGY USE (KWH) | PEAK ENERGY DEMAND (KW) | CURRENT ANNUAL ELECTRICITY COST (\$) | ANTICIPATED ANNUAL INCREASED DEMAND (KW)

On an annual basis, the cost of electricity at this facility represents approximately \_\_\_\_\_% of operating costs.

Will you be using co-generation or self-generation for electric service? Yes \_\_\_\_\_ No \_\_\_\_\_

### METERING

Electrical service will be provided via a separate individual meter for this business. Yes \_\_\_\_\_ No \_\_\_\_\_

### SELECTION OF BUSINESS LOCATION

Projected length of time at business location in the City of Alameda. \_\_\_\_\_ Years

Locations considered outside of the City of Alameda. 1. \_\_\_\_\_ 2. \_\_\_\_\_ 3. \_\_\_\_\_

I certify that the above information is correct.
