

A Request for Quote was posted on November 10, 2022, on PlanetBids, AMP's online solicitation portal, and the system notified 149 vendors registered with AMP based on selective criteria. By December 14, 2022, two sets of distributors/manufacturers submitted bids. The summary of the bid results is presented in Exhibit A.

AMP staff carefully evaluated each bid based on conformance to the specifications, product quality and reliability, delivery, and bidder's qualification, and recommends issuance of a purchase order to Anixter with Eaton ISG in an amount not to exceed \$591,100, including sales tax and delivery. Anixter with S&C Electric Company, the lowest responsive, responsible bidder, did not meet AMP's technical specifications.

FINANCIAL IMPACT

AMP has funds in its FY 2023 budget for the purchase of cubicle switchgear, and additional funds will be included in the proposed FY 2024 budget.

LINKS TO AMP STRATEGIC PLAN

Business Resiliency, Strategy 1: AMP will develop an asset management plan to guide efficient capital and maintenance expenditures which improve system operations and resiliency.
