MUNICIPAL POWER

DON'T GET SCAMMED ON YOUR ELECTRIC BILL

BE SUSPICIOUS

if you get a demand for immediate payment on your AMP account.

BEWARE

of anyone asking you to use prepaid debit cards, such as Green Dot prepaid debit cards, to pay your electric bill.

NEVER

provide unsolicited callers or visitors any personal or financial information.

KNOW

that AMP reps will never ask for credit or debit card numbers and only provide automated courtesy calls to accounts.

SEE

All AMP vehicles display the AMP logo and AMP employees always carry photo IDs.

PHONE ID SPOOFING

Scam artists can falsify or "spoof" their caller ID information with phone numbers or information to make it look like the calls are local.

**IF YOU HAVE ANY DOUBTS OR CONCERNS
CALL AMP AT 510-748-3900.**
