

Alameda Municipal Power (AMP) is holding a virtual townhall meeting to provide an update on the **Otis/Broadway Underground Utility District (UUD 38)**. This project will relocate the overhead utility lines to underground along Otis Drive from High Street to Broadway Street including streets south of Otis Drive (Pearl Street, Versailles Avenue, Mound Street, Waterton Street and Court Street); AND along Broadway Street from La Jolla to Encinal Avenue.

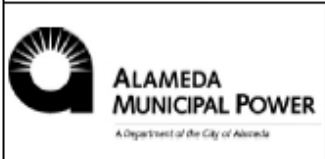

The virtual townhall meeting is open to the public, but the target audience members are those customers who own or live within the UUD 38 boundaries. We will describe the phases of the undergrounding project, the impact to residents, and provide a project timeline. There will also be a Question-and-Answer portion of the meeting where you can share your comments, questions, and concerns. The details of this event are:

Title: **UUD38 Townhall Meeting**  
Date/Time: **Wednesday, July 13, 2022, 7:00 PM to 8:00 PM**  
Link: <https://bit.ly/3R5Wp2i>

You may submit questions or feedback on the project via email at: [undergroundamp@alamedamp.com](mailto:undergroundamp@alamedamp.com). Should you not be able to attend, the event will be recorded and made available at <https://www.alamedamp.com/262/Undergrounding>.

Alameda Municipal Power is committed to keeping you informed of the proposed work on the Otis/Broadway UUD to ensure a smooth conversion and minimal disruption to you and/or your property.
