

Transformer Art APPLICATION FORM

AMP's Transformer Art Wrap program enables decorative wraps to be applied to utility boxes in the city of Alameda. Wrapping transformers in decorative wraps can help deter graffiti as well as enhance the aesthetics of the surrounding area.

Customer Information

Artwork Description

Describe the artwork that you propose for placement on the transformer? How does it comply with the theme of sustainability or Alameda's history?

Terms of Agreement and Signature

- The applicant has permission to use the artwork submitted and reproduction will not violate rights of any third party.
- Applicant grants AMP the right to make reproductions of the artwork to be used for promotional materials, website, and media.
- AMP cannot guarantee that the transformer will not be replaced due to unanticipated equipment damage or failure. AMP's transformers may be removed, replaced, or relocated by AMP as necessary without notification to the customer. AMP is not responsible for reimbursement of wrap costs due to removal or replacement of the transformer, or damage to the wrap during maintenance on or near the transformer.

I have read, understand, and agree to the stated terms of agreement
